

Craftsman 46" 22 HP V-Twin Kohler Zero Turn Riding Mower

\$2699.99

Description Item # 07120418000P Model # 20418

The **New Craftsman 22 HP* V-Twin Kohler 46" Zero Turn Riding Mower** was designed with the perfect mix of user comfort and cutting performance in mind. Extended legroom and a deluxe high back seat compliment the Kohler V-twin engine and deep domed cutting deck to provide best in class cutting performance on a comfortable ride.

The **New Craftsman Z6400** 22 Horsepower, Kohler 7000 Series V-twin engine with Consistent Cut Technology delivers higher engine speed in tall grass and hilly terrain to achieve a better quality of cut with less clumping. Kohler V-twins deliver more than just high power. They are designed to run smoother making the mower more comfortable to operate. Features full pressure lubrication and a spin on oil filter for extended life. Save time as you navigate around obstacles and against edges with zero degree turning radius that allow the mower to spin on a dime. Tackle the straightaways, and get the job done faster with adjustable speeds up to 7.0 MPH.

- Dual lap bar controlled hydrostatic transmissions provide smooth speed and directional control
- Integrated lap bar brake lock is very user friendly, and reduces and streamlines the startup and shut-off process
- 46" deep domed cutting deck offers 8 adjustable cutting heights from 1.5" to 4" to provide the flexibility and great cutting performance you would expect from a Craftsman.
- Four gauge wheels to minimize lawn scalping for a more beautiful lawn.
- Turf Saver Tires in rear prevent skidding and grass damage while making turns
- 13" front caster wheels and a robust steel front axle with sealed ball bearings provide high strength for rugged terrain.
- 3.0 Gallon gas tank will reduce the need to refill as frequently
- 2-Year Warranty

Comfort and Convenience

- 18 in. high back seat has added support to make every ride a comfortable one.
- Ergonomically designed comfort grip lap bars are easy to grip and control, and absorb vibrations during operation.

- Cup Holder for your favorite beverage

Accepts optional mulch kit, bagger

*As rated by the engine manufacturer

Specifications

Dimensions:

Item Weight (lbs.): 650

Overall Item Dimensions: 84" x 66" x 36"

Wheelbase (in.): 37

Cutting Deck & Blade:

Blade Width (in.): 46

Cutting Width (In.): 46

Blade Type: Side Discharge/Mulch

Blade Material: Steel

Cutting Deck Material: Stamped Steel

Cutting Deck Nose Roller: Yes

Cutting Height Adjustment Type: Hand Lever

Cutting Height Minimum (in.): 1.0

Cutting Height Maximum (in.): 4.0

Deckwash System: Yes

Controls and Features:

Cruise Control: No

Blade Lift: Manual

Blade Engagement Type: Electric

Product Overview:

Commercial/Residential: Residential

Terrain Type: Flat

Terrain Type: Uneven

Terrain Type: Hilly

Terrain Type: Steep

Terrain Type: Obstacles

Chassis:

Front Axle Material: Steel

Frame Type: Fully welded

Frame Material: One Piece Steel Frame

Drive System:

Transmission Type: Hydrostatic Automatic

Maximum Forward Speed (mph): 7

Maximum Reverse Speed (mph): 2.8

Mow in Reverse: Yes

Turn Tight: No

Motor-Engine:

Engine Brand: Kohler(r)

Cooling System Type: Fan-cooled

Engine Displacement (cc): 725

Engine Cycles: 4-cycle

Wheels & Tires:

Rear Tire Size: 18" x 9.5" x 8"

Front Tire Size: 13" x 5" x 6"

Accessory or Attachment:

Accepts Bagger: Yes

Hauling Equipment: No

Fuel System:

Fuel Capacity (gal.): 3.0

Fuel Gauge Location: On Tank

Fuel Type: Gasoline

Gauge Accessory:

Hour Meter: Yes

Gauges: Battery/Amp Meter

Convenience Features:

Power Steering: None

Speed Control: Levers/Lap Bars

Certifications:

Location: All other

CARB Compliant: Not Compliant with Cali. Air Resource Board

Seat:

Arm Rests: No
