Specifications & Dimensions

Cutting Deck & Blade:

Anti-Scalp Gauge Wheels:	Yes
Cutting Deck Style:	Side Discharge
Cutting Deck Type:	Floating
Cutting Height Adjustment Increments:	Inches
Cutting Height Maximum (in.):	4
Cutting Height Minimum (in.):	1.5
Cutting Positions:	6
Cutting Width (In.):	42

Deck Thickness (Gauge):	12
Deckwash System:	Yes
Discharge Location:	Side
Mulch Kit Included:	Sold Separately
Mulch Kit Part Number:	#33748
Number of Cutting Blades:	2
Number of Deck Anti-Scalp Gauge Wheels:	2

Controls and Features:

Blade Engagement Type:	Electric
Blade Lift:	Hydraulic
Cruise Control:	No

Dimensions:

Item Weight (lbs.):	575
Wheelbase (in.):	18

Product Overview:

Color/Finish:	Red/black
Commercial/Residential:	Commercial/Residential
General Warranty:	2 year
Recommended Terrain:	Any

Chassis:

Frame Material:	Steel
Frame Type:	Fully welded
Front Axle Material:	Steel
Number of Wheels:	4
Step Thru Frame:	Yes

Drive System:

Maximum Forward Speed (mph):	6
Mow in Reverse:	No
Number of Forward Speeds:	Infinite
Shifter Location:	Lap Bars
Steering Type:	Levers/Lap Bands
Steering Wheel Type:	Foam Grip Lap Bars
Transmission Type:	Hydrostatic Automatic

Motor-Engine:

Air Filter Type:	Dual
Cylinder Liner:	Cast iron

Electronic Ignition:	Yes
Engine Brand:	Briggs & Stratton(r)
Engine Lubrication System:	Full pressure
Engine Series:	B&S Platinum
Engine Size (cc):	724
Horsepower:	24
Number of Cylinders:	2
Oil Filter Type:	Automotive-type
Overhead Valve Engine:	Yes

Wheels & Tires:

Front Tire Size:	11 x 4 in.
Rear Tire Size:	18 x 18.5 in.
Wheel Grease Zerks:	Yes

Accessory or Attachment:

2 Bin Bagger Part Number:	#24030
Accepts Bagger:	Yes
Bag Kit Included:	No
Electric Lift Kit Capable:	Yes
Hauling Equipment:	No

Fuel System:

Fuel Capacity (gal.):	3
Fuel Type:	Gasoline

Convenience:

Headlights:	No
-------------	----

Gauge Accessory:

Battery Ammeter:	Yes
Hour Meter:	Yes

Convenience Features:

Cup Holder:	Yes
Speed Control:	Levers/Lap Bands

SafetyFeatures:

Brakes Type:	Transmission
--------------	--------------

Certifications:

CARB Compliant:	Not Compliant with Cali. Air Resource Board
-----------------	---

Seat:

Adjustable Seat:	Yes
Arm Rests:	No
Seat Size:	Deluxe high back

Product Description

Craftsman Power and Zero Turn Technology Saves You Time and Energy

Get back to what you really love doing. The **Craftsman 24 hp* V-Twin 42" Zero-Turn Riding Mower** saves time by helping you easily navigate around flower beds, shrubs, lawn ornaments and other obstacles in your yard that other **riding mowers** can't tackle. Either moving forward or in reverse, the 11 inch front caster wheels provide a zero inch turning radius to give you complete control of the job at hand. Its powerful Briggs & Stratton Platinum Series engine and the innovative natural counter-balance design provide more muscle to tackle tough jobs with less vibration and quieter operation. Engineered to be rugged and versatile, the pivoting front axle with contour following floating deck and 14-gauge welded steel frame give you the durability you want, while the infinite-speed dual hydrostatic transmission delivers precision and makes operating this **riding lawn mower** as simple as driving a car.

The tractor's generous **three gallon gas tank** extends mowing time between fill-ups and the tank's sight glass eliminates the need for guessing how much gas remains. Ready when you are, the 12-volt, 230 CCA battery, **Most Reliable Starting (MRS)** spark plug, full pressure lubrication, premium spin-on oil filter and electronic service reminder provide the reliability needed to operate in many different weather conditions. Capable of reaching forward speeds of up to 6 mph and 3 mph in reverse, coupled with a big, efficient **42 inch cutting deck**, will let you mow large yards quickly.

Sitting atop this **zero-turn riding mower** is ultra comfortable thanks to an extra padded **adjustable deluxe high-back seat**, foam covered lap-bar grips for reduced vibrations and a cup holder to secure your favorite beverage. Designed with unobstructed views, easy-to-use controls and 18 inch **Turf Saver Tires** that prevent skidding and grass damage let you get the job done quickly and comfortably with a professional looking finish.

- Briggs & Stratton Platinum Series 24 hp* OHV V-Twin natural counter-balance design results in more power, less vibration, quieter operation and less wear and tear
- Most Reliable Starting (MRS) spark plug delivers a reliable spark every time for easier starting
- Full pressure lubrication and premium spin-on oil filter for longer life
- Infinite-speed dual hydrostatic transmission with large 1 in. drive axle provides precise control, and the sealed designed reduces maintenance
- 42 in. deep domed deck design features dual blades for superior cutting performance
- Electric blade engagement controls blades with the push of a button
- 6 cutting heights from 1-1/2 in. to 4 in. provides flexibility and precision
- 2 gauge wheels minimize lawn scalping for a more beautiful lawn
- 18 in. Turf Saver Tires in the back prevent skidding and grass damage while making turns
- 11 in. front caster wheels make turning effortless
- Easy Mounting with unobstructed viewing of the terrain in front
- 14-gauge welded steel frame is rugged and durable
- Pivoting front axle and floating deck follows the contours of the ground for superior cutting
- 12-volt, 230 CCA battery assures reliable starting in many different weather conditions
- 3-gallon gas tank with sight gauge gives you more mowing time between fill ups
- Deluxe high-back seat has added padding to make every ride a comfortable one

- Auto Slide adjustability allows the user to easily move the seat into a comfortable position
- Foam covered lap-bar grips reduce vibrations for a more comfortable ride
- Electronic service reminder gives the user feedback on hours used to help determine maintenance intervals
- Deck wash system cleans out grass and debris build-up under the deck
- Built-in utility bin for storage
- Cup holders for your favorite beverage
- Save more time by navigating around obstacles and against edges with 0 in. turning radius
- Tackle different types of terrain with speeds that range from 0-6.0 MPH
- 2-year limited warranty backed by Sears In Home Service
- This item is not for sale in California
