

Craftsman Pro Series 9.5 Engine Torque Wide Cut Mower

\$799.99

Description **Item # 07139790000P Model # 39790**

The **Craftsman Pro Series 28 in. 223cc OHV large deck mower** is for the lawn enthusiast that is serious about their lawn. The 28 in. deck combined with the 223cc OHV Briggs & Stratton® engine will cut your mowing time down significantly, while still providing an excellent cut. With My Stride™ pace control system, the mower matches the pace of your walk, reducing fatigue on those long jobs. Briggs & Stratton® 121Q and 14D9 Professional Series engines are qualified to 60% longer life*. The Craftsman Pro Series engines have a 40% larger air filter**.

The **Craftsman Pro Series large deck mower** comes equipped with Smooth Start™ Plus starting system, starting the mower effortlessly . Control the deck height with just a single lever. With twin blades and a staggered 28 inch deck, mowing quickly is a breeze even with gates and fenced yards. Quickly adjust handle heights from 2 user positions and storage options and use the striper kit to create a professional looking landscape

- 223cc OHV Briggs & Stratton® 9.5 gross torque ft/lbs engine
- My Stride™ Pace Control system matches your walking pace
- Smooth Start™ Plus technology for effortless start up
- 28 in. deck allows you to cover more ground in less trips
- Deck wash for easy clean out
- The oil drain tube allows for clean, easy, and quick draining of the oil

- 8 in. x 2.5 in. ball bearing front wheels
- 10 in. x 3.5 in. ball bearing rear wheels
- Quick adjustable handle height adjusts to two different height positions as well as 90 degree and 180 degree fold for easy storage options
- Striper kit included for a professional looking lawn
- Stop blade feature button has a blade break clutch feature that allows the engine to continue running when blades are disengaged, allowing the operator to clear obstacles without shutting down the mower completely
- Bagger (37990) sold separately. Bagger includes bagging blade for premium bagging performance and bagger

*When compared to standard Briggs & Stratton® engines

** When compared to air filters on Craftsman mowers with EXi engines
