Overview | [Top Features](#) | [Special Offers](#)

Table saw comes with 15 AMP motor allowing saw to cut most applications, 24-tooth carbide tipped blade and steel tabletop for making smooth, accurate cuts. The heavy duty steel stand construction with non-skid rubber feet adds stability and comfort to the work station. Rack and pinion blade height adjustments are quick and easy. Tool has adjustable miter gauge to make cross cuts accurate and easy with tool free adjustments to achieve desired miter angle. Added features include On-board push stick storage and large on/off switch for easy accessibility.

Product Description

Table saw comes with 15 AMP motor allowing saw to cut most applications, 24-tooth carbide tipped blade and steel tabletop for making smooth, accurate cuts. The heavy duty steel stand construction with non-skid rubber feet adds stability and comfort to the work station. Rack and pinion blade height adjustments are quick and easy. Tool has adjustable miter gauge to make cross cuts accurate and easy with tool free adjustments to achieve desired miter angle. Added features include On-board push stick storage and large on/off switch for easy accessibility.

Includes: Table saw, 24T Carbide Tipped Blade, Stand, Blade Wrenches, Hex Keys, Anti-kickback Pawls, Blade Guard Assembly, Push Stick, Miter Gauge, Rip Fence and Operator's Manual

- Powerful 15 amp motor suitable for a range of tough materials
- Adjustable miter gauge for guiding material through cross cuts at desired miter angle
- Advanced modular guarding system
- For versatility and exceptional blade coverage
- Upper guarding assembly installs via simple latch action
- Anti-kickback pawls assemble with the push of a button
- Spreader easily repositions to lower riving knife position via tool free internal cam lever (lower riving knife position for non-thru cuts only)
- Quick release rip fence included for guiding material during rip cuts
- Steel table top provides a large 25"x17" work surface to support the material
- Table mounted push stick for quick access and high visibility
- Heavy duty steel stand provides a comfortable and sturdy work height
- Large on/off switch for easy access and high visibility
- Rack and pinion height adjustment smoothly elevates or descends blade to achieve desired blade height
- Weight: 50 lbs
- Setup: Some Assembly Required
