

Craftsman 18" 46cc Gas Chainsaw

\$161.49

Description Item # 07138188000P Model # 41AY469S799

The **Craftsman 18" Gas Chainsaw** features a powerful 46cc engine to get the job done fast. It comes equipped with two 18" full compliment chains providing a superior cutting performance. The heavy duty Dura-Core™ frame provides enhanced durability and longevity. For ease of starting, this gas chainsaw features an advanced throttle control that resets the choke lever by the pull of the trigger. To assist in the pull effort, Incredi-Pull™ is equipped on this chainsaw engineered to reduce the pull effort with the assistance of a spring-loaded mechanism. The isolated handle design provides reduced vibration minimizing user fatigue, and the automatic oiler provides a constant flow of lubrication to ensure a long-lasting performance. Chain adjustments are less frequent with the traditional side screw tensioning system allowing for easy access to tighten the chain. For product care and storage, a carrying case is included to help extend the longevity of the chainsaw.

- Powerful 46cc engine
- Two 18" full compliment chains for superior cutting performance
- Dura-Core frame
- Advanced throttle control resets the choke lever by the pull of the trigger for easy starting
- Isolated handle design reduces vibration, minimizing user fatigue
- Automatic oiler provides constant flow of lubrication to ensure long-lasting performance
- Side screw tensioning system allows for easy access to tighten the chain
- Carrying case included to help extend longevity of the chainsaw

Specifications

Dimensions and Capacity:

- Fuel Capacity (gal.): .09

Product Overview:

- General Warranty: 2 Year Limited
- Chain Saw Length: 18 in.
- Power Type: Gasoline
- Bar-Tip Guard: No
- Bucking Spikes: Yes
- Reduced Kickback: Bar and Chain
- Translucent Oil Tank: No

Included with Item:

- Case Included: Yes
- Extra Chain Included: Yes
- Package Contents: Manual, 2-Cycle Oil, Scrench
- Includes Safety Glasses or Face Shield: No
- Includes Hearing Protection: No

Handles:

- Anti Vibration Handle: Yes
- Wraparound Handle: Yes

Installation Requirements:

- Assembly Required: Fully Assembled

Blade:

- Blade Material: Steel

Motor-Engine:

- Engine Displacement (cc): 46
- Engine Cycles: 2-cycle
- Max Engine Speed (RPM): 11200

Chain:

- Chain Type: Low-kickback
- Chain Oiling: Automatic/Adjustable
- Chain Brake: Yes
- Chain Gauge: .050
- Chain Oil Capacity: 6.6 oz
- Chain Pitch: .0325
- Tool Free Chain Adjustment: No

Certifications:

- Meets ANSI Standards: Yes
- CARB Compliant: CARB Compliant
