Product Description

Choose High Torque Performance for Quick Clean-Up with This 4-Cycle Handheld Blower

With a high torque, three-piece crankshaft in the **Craftsman 4-Cycle Handheld Blower**, it delivers less vibrations while in use, which elevates its use and durability. Powered by a 25cc*, four-cycle engine, this enhanced designed blower can produce a maximum of 150MPH and 450CFM of air to clear out all kinds of debris with ease. Variable throttle and cruise control helps you direct this powerhouse for easy maneuverability in different conditions.

With Speed Start technology, the engine of the 4-cycle handheld blower can be started with the push of a button. Exclusive Incredi-Pull Starting System makes pull assisted start-ups much easier, for your comfort. Ergonomically designed, over-molded handle delivers comfort and added stability. Attach the bonus curved tube for precision blowing to clear those hard-to-reach corners in your yard.
