Description Item # 07138170000P Model # 38170

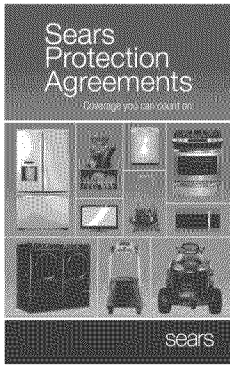

Whether you're cutting firewood, trimming trees or cleaning up after a storm, this Craftsman Gas Chain Saw will be your next go-to tool. At 16 inches long, the Craftsman's two-cycle 38 cc engine is tough enough to take on many jobs around the house or yard. It will rip through trees or whittle stumps down to size. Its plastic handle is designed to cut down on vibration for comfort, and an automatic chain oiler lets you keep cutting for as long as needed.

- Dependable two-cycle 38cc engine
- 16" long
- Nylon plastic handle for vibration-free durability
- Automatic chain oiler
- Convenient carrying case for easy transportation to and from the job site
- Grey finish
