**Product Description**

The Craftsman Clean N' Carry Gas Pressure Washer features 2,000 max PSI and 1.8 max GPM. Offers more cleaning power than electric pressure washers while maintaining portability and freedom from electrical outlets or cords. At 36 lbs., the Clean N' Carry pressure washer is compact and lightweight, making it easy to move from one task to another. Stores compactly in your garage or shed and transports easily in your car trunk.

Get peak performance with the power of this efficient Briggs & Stratton 550 Series™ engine. The maintenance-free axial cam pump with Easy Start™ technology prevents pressure build-up and ensures smoother reliable starts. 3 Pro-Style quick connect spray tips (0 and 25 degrees and soap) offer preset spray patterns for quick and accurate cleaning. Detergent injection system siphons cleaning detergents directly into water stream under low pressure for added cleaning performance. This unit is great for small to medium sized projects, including cleaning your vehicle, walkways and outdoor furniture.

- Briggs & Stratton 550 Series™ engine. 5.50 ft.-lbs. Gross Torque per SAE J1940, 158cc
