### Product Description

This Craftsman gas-powered pressure washer delivers water stream at 2,700 max PSI / 2.3 max GPM. Powered by a Briggs & Stratton Professional Series OHV engine that includes the Ready Start system for easy starting and a Fresh Start fuel cap. The newly designed frame gives this pressure washer more support and protection for the engine. Great for occasional to frequent clean-ups, this model is ideal for any medium-sized project including vehicles, decks, walkways and much more. Not for sale in California.

- 2,700 max PSI/2.3 max GPM
- Briggs & Stratton Professional Series 7.75 ft.-lbs. gross torque, 175cc OHV engine per SAE J1940
- 4 quick-connect spray tips (0, 15, 40-degree and Fan Soap)
- Maintenance-free axial cam pump with Easy Start technology
- PerfectMix direct from concentrate soap system Automatically mixes the perfect amount of concentrate into the water stream for more effective cleaning (concentrate sold separately)
- Fixed hose wrap with 25 ft. high-pressure hose

- Fold-down handle for compact storage
- 10 in. solid wheels

## Specifications & Dimensions

---

### Product Overview:

Max. Pressure:	2700
General Warranty:	2 Year
Item Weight (lbs.):	51.9
Individual, Kit or Set:	Individual
Power Option:	Powered

---

### Color:

Overall Color:	Red
----------------	-----

---

### Materials & Finishes:

Gun Material:	Stainless Steel
Piston:	Stainless Steel
Finish:	Powder coated steel frame
Material Type:	Tubular steel

---

### Included with Item:

Hose Adapter:	No
Engine Oil:	Yes
Hose Reel:	Yes
Wheel Kit/Cart:	Yes

---

### Power:

Type:	Gasoline
-------	----------

---

### Controls, Overall:

Primary Type:	Trigger
---------------	---------

---

### Installation Requirements:

Setup Requirements:	Some assembly required
---------------------	------------------------

---

### Intended Use:

Designed For:	Medium duty
Indoor/Outdoor:	Outdoor
Recommended For:	Cold water use only

---

### Performance:

---

Gallons Per Minute:	2.3
Thermal Relief:	Yes

---

**Motor-Engine:**

Engine Brand:	Briggs & Stratton(r)
Engine Power:	7.75 ft-lbs gross torque
Engine Series:	775 Series 175cc
Starter Type:	Recoil start
Type:	4-cycle

---

**Wheels & Tires:**

Tire Size:	10 in.
Type:	Solid rubber

---

**Styling & Design:**

Unit Style:	Traditional vertical
-------------	----------------------

---

**Controls, Safety:**

Safety Lock:	Trigger lock
Safety Override:	THERMAL RELIEF VALVE

---

**Convenience:**

Quick Start:	Yes
--------------	-----

---

**General Features:**

Fuel Tank Capacity:	1-1/5 qt.
Garden Hose Connector Material:	Brass
Hose Size:	25 ft. High pressure
Pressure Regular Type:	Fixed
PSI Range:	2700 PSI
