## Description Item # 07175488000P Model # 020572

### The Craftsman 3000 psi Gas Pressure Washer Delivers Powerful Cleaning Performance

Dirt, grime, mildew and pollen don't stand a chance against the high-powered **Craftsman pressure washer 3000 psi**. The Briggs & Stratton® Professional Series™ OHV engine delivers max PSI of water pressure to quickly clear tough soils from sidewalks, siding, patios and vehicles. The Ready Start® system and Fresh Start® fuel cap makes starting hassle-free and safeguards the engine to ensure peak performance. Quiet Sense™ technology, the automatic throttle control system, instantaneously switches from full engine speed to a low RPM idle when the spray trigger is released, making operation quiet, efficient and long-lasting.

The **Craftsman 3000 psi gas pressure washer** includes a 5-in-1 selector nozzle to match the spraying width and pressure to the cleaning task at hand, from delicate, general, max, flush and soap. The PerfectMix™ dual direct from concentrate soap system automatically mixes the perfect amount of detergent into the water stream for enhanced cleaning.

- **Craftsman pressure washer 3000 psi** is a versatile tool for cleaning many outdoor surfaces around the home
- Powered by a Briggs & Stratton Professional Series OHV engine
- Delivers max PSI of water pressure
- Quiet Sense™ technology switches from full throttle to a low RPM idle via spray trigger
- Quick-connect wand with 5-in-1 selector nozzle — choose delicate, general, max, flush and soap spray settings with a quick adjustment
- Maintenance-free axial cam pump with Easy Start™ technology
- PerfectMix soap system automatically mixes the perfect amount of concentrate into the water stream for more effective cleaning (concentrate sold separately)
- 30 foot high-pressure hose
- Weighs 62 pounds
- Backed by a 2-year general warranty

---

## Feature Highlights

### Quiet in an Instant

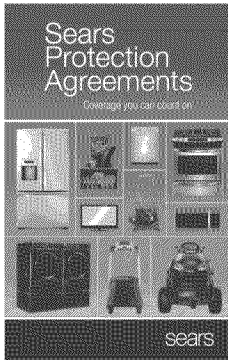

Quiet Sense™ technology switches from full engine speed to a low RPM idle when the spray trigger is released making operation quiet, efficient and long-lasting.

### No Mix, No Mess

The Perfect Mix™ Direct from concentrate detergent system automatically siphons the perfect amount of detergent into the water stream for better cleaning.
