The Craftsman Gas Pressure Washer Blasts Away Dirt, Grime and Mildew

The **Craftsman 3000 max psi 2.7 max gpm pressure washer** combines powerful cleaning action, smooth operation and versatile performance. Powered by a 190cc Briggs & Stratton® Professional Series™ OHV engine, it delivers up to 3,000 max PSI of water pressure to tackle the toughest stains and handle the hardest outdoor cleaning tasks with ease. The maintenance-free axial cam pump with easy start pump technology delivers dependable performance and quick starting. Briggs & Stratton's Grip & Go trigger activated starting system powers the pressure washer on with the squeeze and release of the spray gun trigger for convenient, quick and effortless starting. With Grip & GO there is no need to go back and forth to the unit to turn on and off and longer pump life including protection by not allowing machine to start without water. Simply plug in the DC battery charger to keep battery fresh when not in use.

The **Craftsman gas pressure washer** includes a 5-in-1 selector nozzle to match the spraying width and pressure to the cleaning task at hand, from delicate, general, max, flush and soap.

The PerfectMix™ dual direct from concentrate soap system automatically mixes the perfect amount of detergent into the water stream for enhanced cleaning. And when you've finished cleaning, the handle folds down for compact storage.

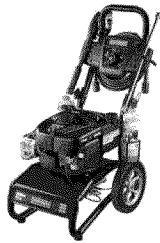

- **Craftsman 3000 max psi 2.7 max gpm pressure washer** is designed for a wide range of residential cleaning applications
- Powered by a Briggs & Stratton 190cc OHV engine with 8.75 ft. lbs. gross torque (per SAE J1940)
- Delivers 3,000 max PSI of water pressure and 2.7 max GPM of water flow
- Grip & Go technology powers the pressure washer on and off with the squeeze and release of the spray gun trigger. With Briggs & Stratton's Ready Start system there is no need to prime or choke the engine to start.
- Quick-connect wand with 5-in-1 selector nozzle — choose delicate, general, max, flush and soap spray settings with a quick adjustment
- Maintenance-free axial cam pump with Easy Start™ technology
- PerfectMix soap system automatically mixes the perfect amount of concentrate into the water stream for more effective cleaning (concentrate sold separately)
- 30 foot high-pressure hose
- Fold-down handle for compact storage
- 10 inch solid wheels
- Weighs 62 pounds
- Backed by a 2-year general warranty

Feature Highlights

Control at Your Fingertips

Briggs & Stratton's Grip & Go™ Technology powers the washer on and off right from the trigger for easier starting, longer pump life and less noise.

Quiet in an Instant

Quiet Sense™ technology switches from full engine speed to a low RPM idle when the spray trigger is released making operation quiet, efficient and long-lasting.

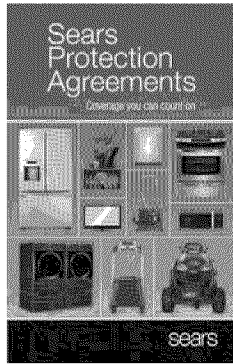

No Mix, No Mess

The Perfect Mix™ Direct from concentrate detergent system automatically siphons the perfect amount of detergent into the water stream for better cleaning.
