Description Item # 07120380000P Model # 20380

The Craftsman Turn Tight Briggs & Stratton Platinum Series Powered Tractor can cut corners, and that's a good thing. With a scrawny 6 inch turning radius that's the best in its class, this Craftsman has the skill to maneuver around fences, porches, swings or planters, plus the speed to get a wide-open field done in no time. It can even handle slight hills. With a sturdy steel frame and a cast-iron axle that's guaranteed for life, it's all the riding mower you'll need for years to come.

The Craftsman Briggs & Stratton Powered Manual Tractor is built with exclusive Craftsman Turn Tight Technology that allows it to take only six inches' leeway to go the other way. It also has a powerful engine and wide cutting area that lets it get more work done faster / A 19 hp* Platinum engine can go up to 5.5 mph and has the power to handle hills as well / Adjust the precision mowing system into one of six positions, from 1.5 to four inches. Mulch or catch clippings in a bag that's sold separately / A handy cup holder and cushioned, sliding seat keep you comfortable while you work / From its steel frame to its four adjustable gauge wheels, this mower is meant to last / 2.5 Gal Gas Tank / Not for sale in California
