**Product Description**

Powered by a Briggs & Stratton® 26 hp Platinum V-Twin engine and coupled Craftsman's exclusive Turn Tight™ technology this mower gets the job done in less time. Turn Tight™ technology gives you the tightest turning radius of any yard tractor available in the market at 8" for best in class maneuverability. A tighter turning radius lets you cut more closely around landscapes obstacles and prevents you from the

need to repeatedly reposition your tractor. This yard tractor features a premium hydrostatic transmission and massive 54" cutting deck to mow larger areas with less passes.

Exclusive Craftsman Turn Tight™ technology delivers an 8" turning radius
