

Craftsman 50" 23 HP V-Twin Kohler Steering Wheel Zero Turn Riding Mower

\$3131.19

Description Item # 07120410000P Model # 20410

The **New Craftsman 23 HP* V-Twin Kohler 50" Zero Turn Steerable Riding Mower** was designed with the perfect mix of user comfort and cutting performance in mind – especially for large yards with lots of obstacles to navigate. Extended legroom and a deluxe high back seat compliment the Kohler V-twin engine and deep domed cutting deck to provide best in class cutting performance on a comfortable ride. The steering wheel makes operating this mower a breeze, without sacrificing any of the benefits of zero turn capability.

The **New Craftsman Z6700** is built with a 23 horsepower, Kohler 7000 Series V-twin engine. Consistent Cut Technology delivers higher engine speed in tall grass and hilly terrain to achieve a better quality of cut with less clumping. Kohler V-twins deliver more than just high power. They are designed to run smoother making the mower more comfortable to operate. Features full pressure lubrication and a spin on oil filter for extended life. Save time as you navigate around obstacles and against edges with zero degree turning radius that allows the mower to spin on a dime. Set the cruise control and tackle the straightaways, getting the job done faster with speeds up to 7.0 MPH.

- 50" cutting deck offers 8 adjustable cutting heights
- Push button start allows quick turnover
- SmartChoke technology eliminates the need for manual priming
- Dual hydro transmission
- 3.0 Gallon gas tank will reduce the need to refill as frequently
- 18 in high back seat has added support to make every ride comfortable
- Cup Holder for your favorite beverage
- 2 year warranty
