The **New Craftsman Pro 20 HP\* V-Twin Kohler 42" Riding Mower** is built to performance standards that will surely provide an outstanding mower experience all season long. Adding to the machine's durability, the cast iron front axle is just one of the many features that stands true to Craftsman quality. A powerful V-twin Kohler 7000 Elite Series engine runs smooth for a comfortable operation. Kohler Consistent-Cut™ technology excels in tall grass, and hilly terrain, for the perfect cut. The Kohler Elite Series engines feature a pro-grade oil and fuel filter for longer engine life, and a platinum spark plug for more reliable starting.

The **Craftsman Pro 42" Riding Mower** is equipped with a reinforced cutting system. Featuring a deep-domed and curved design that produces optimal airflow for excellent cutting performance. The spring-loaded lift system provides low-effort height adjustments and the heavy-duty brackets add stability needed for an even cut. Engineered to prolong belt life and a simple deck removal makes maintenance quick and easy.

- Spring-assisted lift system provides 12 cutting positions - 1" to 4"
- 20 HP\* Kohler 7000 Elite Engine
- 42" Reinforced Cutting System
- Foot Pedal Hydrostatic Transmission is optimized for smooth and quiet operation and is equipped with Cruise Control feature to reduce fatigue over long jobs
- Speed up to 5.5 MPH
