Product Description

No prime, no choke. Smooth Start™ Plus engines feature three advanced engine features.

- Powered by a Briggs & Stratton® Gold Engine Series 140cc* OHV engine (5.5 ft-lbs gross torque) for dependable starting performance, durability and long life
- Smooth Start™ Plus engines feature three advanced engine features. The recoil starter allows for lower speed and effort during pulling. Ready Start™ — No prime, no choke, just pull starter rope. Starting your mower has never been easier. Most Reliable Starting (MRS) spark plug – makes starting easier and lasts longer.
- 21 in. 2-in-1 domed deck — Side discharge or mulch to put nutrients back into the lawn
- Deck design extends beyond wheels for more precise trimming and edging
- Save time with dual-point deck height adjusters with 6 positions
- Flexible cutting heights ranging from 1.25 to 3.75 in. for any lawn or grass type
- 3-position handle is adjustable to user height for maximum comfort
- 7 in. front and 11 in. rear wheels make it easy to maneuver over all types of terrain
- Mulch plug built into the deck — Recycle the clippings and encourage a healthier lawn

- Side discharge chute included
- Unit comes fully assembled — No tools required
- 2-year full warranty
- Available in 50 states
