Description Item # 07137590000P Model # 12ABC32J799

My Stride mowers match you, stride for stride, as you walk your lawn, making smooth, automatic adjustments to match your natural pace. These self-propelled, rear-wheel-drive mowers match the speed of the mower to how fast you walk for a comfortable mowing experience.

With a 21" 3-in-1, precision plus cutting deck, EZ attach bagger and Craftsman-exclusive dust blocker bag – you can count on the My Stride mowers for an excellent cut in addition to their ease of use. Powered by a Craftsman 159cc OHV engine, you will mow with ease on any terrain, thick grass, and hilly surface. And with Autochoke starting, there is no need to prime the engine. Just pull the cord and mow at your perfect speed with My Stride.

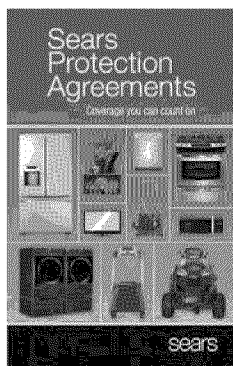

- 159cc OHV Craftsman Engine – constructed with heavy duty parts to wear better and last longer, and an overhead valve design to run cooler and cleaner
- My Stride Pace Control System – matching your natural stride and your perfect speed
- Single Lever Height Adjustment - single-lever deck height adjustment with six positions

for quick and accurate adjustments

- 21" Precision Plus cutting system – delivers high-performance bagging and mulching with a durable blade, giving your lawn a manicured appearance
- 3 position adjustable handle – easy adjustment to match different user heights
- 1.9 bushel Dust Blocker bag
- 8 inch high rear wheels - good for use on bumpy and uneven surfaces
- 2-year warranty
