Description **Item # 07125012000P Model # 71-25012**

Craftsman Vac Riding Mower Attachment for a Neat, Clean Lawn

The **Craftsman soft top vac riding mower attachment** makes it simple to keep your lawn free of debris like pine needles, pine cones, trash, leaves and grass clippings. Attach the vac to the back of your riding mower and it will clean up behind you as you mow the lawn. With its 29 cu. ft. capacity, the vac ensures your lawn will be smooth and pristine with no need for an extra yard bagger.

With the **Craftsman vac riding mower attachment**, you have 80-mph-worth of suction at your command as well as a 500 series, 127cc Briggs & Stratton™ engine. The retractable top makes it easy to unload so you won't spill the debris you've just collected somewhere else in the yard. Your lawn will be the envy of the neighborhood with this versatile, easy-to-use lawn vac.

- **Craftsman soft top vac riding mower attachment** fits any tractor cutting deck with a right-hand discharge. Adjustable up to 54 in. wide
- Vacuum hose connects to the cutting deck
- Retractable top means you can use it to haul items with the tractor, as well
- Top telescopes, making the vac attachment easy to unload
- To avoid interference with the tractor's fender, vac attachment has a single-point tow hitch and a heavy-duty pin
- Can be used with a remote hose kit or a hose extension for zero turn tractors; hose kits sold separately
