Product Description

This new Craftsman gas-powered pressure washer delivers water stream at 3,000 max PSI/2.7 max GPM. This unit features Quiet Sense, an automatic throttle control system that instantaneously switches from full engine speed when the spray gun trigger is pulled, to low RPM idle speed when the trigger is released to reduce noise. Powered by a Briggs & Stratton Professional Series OHV engine that includes the Ready Start system for easy starting and a Fresh Start fuel cap. The new frame design is more robust and durable providing additional support and protection for the engine. The innovative Quick Switch direct from concentrate system allows you to easily switch from one detergent to another with the turn of a knob. Great for occasional to frequent clean-ups, this model is great for any medium-sized project including vehicles, decks, walkways and much more.

- 3,000 max PSI/2.7 max GPM
- Briggs & Stratton Professional Series 8.75 ft.-lbs. gross torque, 190cc OHV engine per SAE J1940
- Quiet Sense Automatic throttle control
- Quick Connect wand with Craftsman 5-in-1 Selector Nozzle Choose between 5 patterns with a push, turn and click. Includes Delicate, General, Max, Flush and Soap

- Maintenance-free axial cam pump with Easy Start technology
- Quick Switch PerfectMix dual direct from concentrate soap system Automatically mixes the perfect amount of concentrate into the water stream for more effective cleaning. The Quick Switch system allows you to change from one solution to another with the turn of a knob (concentrate sold separately)
- Removable hose wrap with 30 ft. high-pressure hose
- Fold-down handle for compact storage
- 10 in. solid wheels

Specifications & Dimensions

Product Overview:

Max. Pressure:	3000
General Warranty:	2 Year
Item Weight (lbs.):	61.9
Individual, Kit or Set:	Individual
Power Option:	Powered

Color:

Overall Color:	Black
----------------	-------

Materials & Finishes:

Gun Material:	Stainless Steel
Piston:	Stainless Steel
Finish:	Powder coated steel frame
Material Type:	Tubular steel

Included with Item:

Hose Adapter:	No
Engine Oil:	Yes
Hose Reel:	Yes
Wheel Kit/Cart:	Yes

Power:

Type:	Gasoline
-------	----------

Controls, Overall:

Primary Type:	Trigger
---------------	---------

Installation Requirements:

Setup Requirements:	Some assembly required
---------------------	------------------------

Intended Use:

Designed For:	Heavy duty
Indoor/Outdoor:	Outdoor
Recommended For:	Cold water use only
Wet/Dry:	Wet

Performance:

Gallons Per Minute:	2.7
Thermal Relief:	Yes

Motor-Engine:

Engine Brand:	Briggs & Stratton(r)
Engine Power:	8.75 torque rating (190cc*)
Engine Series:	875 Series 190cc
Starter Type:	Recoil start
Type:	4-cycle

Wheels & Tires:

Tire Size:	10 in.
Type:	Solid rubber

Controls, Safety:

Safety Lock:	Trigger lock
Safety Override:	THERMAL RELIEF VALVE

Convenience:

Quick Start:	Yes
--------------	-----

General Features:

Fuel Tank Capacity:	1-1/5 qt.
Garden Hose Connector Material:	Brass
Pressure Regular Type:	Fixed
PSI Range:	3000 PSI
Pump Head Construction:	Aluminum
Pump Type:	Axial cam
Starting System:	Recoil start
Wand Or Nozzle:	Craftsman 5-in-1 selector nozzle
Wand Or Nozzle Color:	Multi
Garden Hose Connector Location:	Off pump
Gun Type:	M-22 threaded
