Spring Cleaning Made Easy with the Craftsman Pressure Washer

Clean decks, vehicles, siding and more with the **Craftsman Honda powered pressure washer**. This high-powered pressure washer gets outdoor fixtures clean and ready for seasonal activities. The Honda GCV 160cc engine delivers powerful cleaning pressure. When combined with the PerfectMix™ direct from concentrate soap system, the washer powers through the toughest dirt, grime and mildew with ease. A maintenance-free axial cam pump with Easy Start™ technology provides smooth performance, easy starting and dependable cleaning action.

This **Craftsman pressure washer** includes 4 quick-connect spray tips — 0, 15 and 40 degrees, as well as Fan Soap — for a wide range of spray patterns and versatile cleaning performance. At low pressure operation, the PerfectMix system injects detergent into the water stream for enhanced cleaning. And the fold-down handle makes it easy to store. This pressure washer meets California emission standards.
